4. (Unclassified - [REDACTED]) LIAISON Met with Kenneth de Graffenreid, Senate Select Committee on Intelligence staff, who said he had been asked by the Committee to "put to bed" charges made by the father of an American, Charles Horman, who was killed in Chile in about 1972. Apparently, Horman's father is charging CIA was somehow involved. He has filed a request for documents under FOIA. De Graffenreid asked to review all Agency documents concerning Horman.
